

Living in The Wider World

PSHE
Year 1

Overview

During this unit, the children will be learning how there is a much bigger world outside of their immediate area. The children will learn about their environment and talk about protecting it. They will look at communities of people they belong to and how having different careers in the community and society can affect life chances. We will also learn about what money is, what forms money comes in and how to save and spend money.

Knowledge & Understanding

In this unit, the children will:

Understand things they can do to look after their environment

- Recognise different groups they belong to
- Understand the basics of internet usage
- Consider what money is, what forms money comes in and how to save and spend effectively
- To understand that people have different jobs and this helps to earn money which in turn pays for things.

Outcomes and Life Skills

In this unit, the children will:

- Gain an understanding that work and having a job is important to earn money to live and what happens if they don't have a job
- Understand small increments of money and what it can be used for.
- Be able to describe and talk about groups and clubs that they are a part of.

Home – school link project

During this topic, pupils can choose to:

- Create a poster about a job they would like in the future including why they want a certain job.
