

Living in The Wider World

PSHE
Year 2

Overview

The children will learn about all of the ways they are unique and the ways they are similar to others around them. The children will talk about the media and the usage of the internet in their everyday life, however, we will learn about how not all of the things online are true. The children will talk about jobs and ways they affect aspects of life, they will also talk about ways to look after money and they difference between needing and wanting something.

Knowledge & Understanding

In this unit, the children will:

- Understand that all things need to be looked after differently from people, to plants, to animals.
- Recognise their needs are sometimes the same as others and sometimes different to others
- Understand that all information on the internet is not always true.
- Describe how and why money has to be looked after and the ways we can do this.

Outcomes and Life Skills

In this unit, the children will:

- Recap what they know about money and how to look after it when they have it, e.g. savings.
- Look at their own needs, others needs and gain an understanding that even though we have similarities and differences, that is ok.
- Understand that although the internet has changed the way we currently live our lives and there are many benefits, there are also pitfalls.

Home – school link project

During this topic, pupils can choose to:

- Design their own piggy bank
- Compare themselves and a member of their family or friend
