

Living in The Wider World

PSHE
Year 5

Overview

During discussions about our society and culture we will learn about the benefits of living in a diverse society. We will recognise stereotypical ideas that people hold and what to do if these are witnessed. We will link to our computing and E-Safety when talking about information sharing online. We will touch upon the risks of economic wellbeing in terms of losing, gambling, winning money. We will also begin to think about jobs and what jobs or careers we may want, understanding that there are different skills sets needed.

Knowledge & Understanding

In this unit, the children will:

- Understand the value of diversity in our community
- Know the different stereotypes and how they can negatively influence behaviours and attitudes towards others
- Recognise appropriate thing to share and what shouldn't be shared online
- Understand risks associated with money (e.g. money can be won, lost, stolen) and different ways to keep money safe
- Acknowledge different careers will require different skill sets

Outcomes and Life Skills

In this unit, the children will:

- Understand diversity and the benefits of having a diverse community
- Know the definition of 'Stereotype' and what the affects of stereotyping can be
- Decide what things should and shouldn't be shared online and with others, alongside the benefits and downfalls of both
- Discuss ways to keep money safe and the many ways to do this
- Discuss different jobs and careers and the skills needed

Home – school link project

During this topic, pupils can choose to:

- Write a job application form for the job they wish to have in the future, outlining all of the skills needed and skills they possess.
