

Living in The Wider World

PSHE
Year 6

Overview

During this unit, the children will begin discussing aspirations and goals for the future. We will learn about our British values and think about where we fit into those. The children will think about how the country is run, how our economy works, the benefits of industry and why we have tax. We will understand ways to challenge prejudice and link to E-Safety and keeping safe online.

Knowledge & Understanding

In this unit, the children will:

- Recognise the different routes into careers (college, apprenticeships, university)
- Understand there are risks associated with gambling and the ways money can affect people's feelings and emotions
- Develop an understanding of how text and images in the media and social media can be manipulated or invented and to be careful about what they share
- Understand about prejudice and how to recognise behaviour and patterns that discriminate against others alongside ways of responding if this is witnessed or experienced.

Outcomes and Life Skills

In this unit, the children will:

- Understand that they can take many routes into careers and these can look different to their friends and those around
- Acknowledge the risk of gambling and that money (having it and not having it) can have a huge effect on people's mental health
- Know that things they share online can be manipulated and altered and what to do if this is witnessed or experienced
- Understand discrimination and prejudice and the right thing to do if this is witnessed or experienced

Home – school link project

During this topic, pupils can choose to:

- Create a life plan for the next ten years, what do they want to be doing? How are they going to get there? E.g. jobs, careers, university, college, family.
