What significant people came from Liverpool?

HISTORY
Year 2
Autumn Term

Overview

The Beatles, or the 'Fab Four', were one of the most famous bands in the history of pop music. The band consisted of 4 members; John Lennon, Paul McCartney, George Harrison and Ringo Starr. They were all from Liverpool and they often played in the Cavern Club before they became worldwide superstars. In this unit, we will learn about the impact their legacy had and continues to have on music and on our city of Liverpool.

Knowledge & Understanding

In this unit, the pupils will:

- Develop an awareness of significant historical events, people and places in their own locality.
- Identify why things may change over time when comparing The Beatles to current famous artists.
- Choose parts of stories and sources to show what they know about the Beatles.

History skills

In this unit, the pupils will:

- Use a range of sources to ask and answer questions about the past.
- Use a variety of simple historical terms and concepts to describe how things have changed over time.
- Sequence objects in chronological order on a timeline from past to present.

Home – school link project

During this topic, pupils can choose to:

- Design your own 60s outfit, based on your research.
- Design and create your own 3D yellow submarine.
