Christ Church CE Primary School
Graduated Approach to SEND

This flowchart shows our Graduated Approach to SEND concerns raised about a child. It has been created in partnership with Sefton SENIS team.

Stage 1 – Initial Concerns

A concern is raised by the child's parent/carer or class teacher
The class teacher informs the SENCO
Class teacher makes adjustments to support progress using quality first teaching strategies

Stage 1 – Initial Concerns

A concern is raised by an outside agency
If appropriate, SENCO holds meeting to discuss the concern with parent/carer and teacher
Class teacher makes adjustments (as per advice) to support progress using quality first teaching strategies

Stage 1 – Monitoring

Ongoing monitoring by class teach of the support in place.
The class teacher begins the cycle of *Assess, Plan, Do, Review* and progress is monitored closely for half a term
The date of the review is recorded
Class teacher will discuss progress with SENCO

Needs are Met

The child's needs are met and progress is being made

Child may continue to need intervention to support progress

Concerns Remain

Concerns remain after monitoring cycles of *Assess, Plan, Do, Review*

Child will move to Stage 2 – SEN Support

Stage 2 – SEN Support

The child is placed on the SEN Register at SEN Support
The class teacher continues the cycle of Assess, Plan, Do, Review
A SEN Support Plan is completed outlining additional support in place
The child's progress is monitored closely by class teacher.
Parents/carers contribute to the SEN Support Plan termly

Further Concern

If child is on track and there is no further concern then they are removed from the SEN register after a period of time

Attainment and progress is reviewed through pupil progress meetings with class teacher, SENCO & SLT

Further Advice

Review identifies further advice needed.
Parents informed of further concerns and agree for a referral
Support from outside agencies is requested for advice and assessment
Parents are informed of outcomes
Continue to assess and collate evidence

Stage 3 Education & Health Care Plan

If concerns continue, an application for an EHCP will be completed by parent/carer or SENCO.
The EHCP will take 20 weeks to complete, is monitored termly and reviewed annually
