INCLUSION NEWS

Newsletter for Parents

Welcome to the Inclusion Hub

Our Inclusion Hub is a dedicated provision within the school that supports pupils and families addressing barriers to learning, focusing on attendance, safeguarding, behaviour, and wellbeing. Each term we will share events and updates within school or within the community, to support our families .

📋 Attendance

The Hub works proactively to improve attendance by identifying patterns of absence early, working closely with families, and offering targeted support and intervention to encourage good attendance throughout school.

🛡️ Safeguarding

The Hub provides a safe space where concerns can be identified and addressed promptly. Staff work in partnership with safeguarding leads and external agencies to ensure pupils are protected and families receive the right support at the right time.

💚 Behaviour & Wellbeing

The Hub offers early intervention and personalised strategies to help pupils regulate their emotions, develop positive relationships, and successfully reintegrate into the classroom environment where needed. Pupils are given opportunities to talk, build resilience, and access tailored emotional support, helping them feel safe, valued, and ready to learn.

💙 Learning Mentor

Our newly-appointed Learning Mentor, Mrs Glover will work closely with children to support their emotional wellbeing. Through one-to-one support, group work and nurturing relationships, she will help children overcome barriers to learning and provide a safe space where children feel listened to and supported. Mrs Glover joins us with a wealth of knowledge and experience from a wide range of education settings.

The Inclusion Hub plays a key role in removing barriers to education, promoting positive outcomes, and ensuring that all pupils are supported to thrive both academically and personally.

👋 Meet the Inclusion Hub Team

We are pleased to welcome some fantastic new members to our team:

Early Link Development Workers

Our Early Development Link Workers, Rachael Morgan and Clare McNally have been in post since January. They have been busy planning and delivering a range of activities for children an families in our school and the wider community. Rachael support our younger children and families by helping to identify needs early and ensuring children receive the right support at the right time. They work closely with families, school staff and external agencies to build strong partnerships and positive outcomes for children.

A key part of their role is supporting school readiness, helping children and families make a positive and confident start to school life. They will be work alongside families to support children as they develop the skills, confidence and routines needed for a successful transition into school. Please give them a follow on social media to see all the wonderful support you and you family could access.

📋Save the date

Our Early Development Link Workers, along with all members of the Inclusion Team, will be attending our New to Reception Intake Meeting for Parents on Thursday 11th June at 4:00pm. This will be a great opportunity for families to meet the team, ask questions and find out more about the support available as children begin their exciting journey at Christ Church.

⭐ AIDA - Attendance Improvement & Development Administrator

Our Attendance Improvement and Development Administrator (AIDA), Mrs Loan will play an important role in promoting excellent attendance and supporting families. She will work alongside parents and carers to ensure children attend school everyday, on time and feel happy, confident and ready to learn.

Together, our Inclusion Team is here to support our school community and provide guidance whenever needed.
